In the School of Medicine reservations are being scheduled to end 5 minutes before the hour or half-hour. Therefore, classes that are scheduled to end at 10:00 are scheduled in Light Hall classrooms until 9:55.

Classrooms in School of Medicine (Light Hall and MRB III) are equipped with Mac computers. There are connections for laptops. If you need to be assured of compatibility, Doug Sturgeon has agreed to “test” your disks for you prior to class. If you are using a powerpoint presentation and make sure the **.ppt extension** is on your file name, the computer will be able to read your disk.
